

France Passion 2026 Guide and App: your passport to free, gourmet and friendly stopovers in your motorhome!

For 34 years, France Passion has been offering motorhome owners free overnight stays at the homes of passionate producers, an experience far removed from mass tourism. For the 2026 edition, this unique network reaffirms its values of openness and shared experiences in the heart of the French countryside.

A network at the very heart of our local regions

For the price of one night's camping (€37.90), this pass gives you access to nearly **2,200 stopovers**, including **200 new additions**, throughout France:

- 1,000 farmers
- 800 winegrowers
- 400 craftsmen/women and farmhouse inns

The free **24-hour** accommodation provides an opportunity for human interaction. There is no obligation to buy anything, but **solidarity is at the heart of our concept**: sharing a moment and experiencing a local product provides practical support for our France Passion hosts.

Freedom and authenticity

Each stopover provides an opportunity for a social and gastronomic adventure, including:

Free accommodation: a 24-hour stopover on the host's property.

Learning about the local area: discover authentic local products (honey, cheese, wine, crafts, etc.).

Peace and security: peaceful nights on private properties, far from the hustle and bustle of regular tourism.

Respect and solidarity

France Passion guests undertake to respect our "**Golden Rules**" of hospitality: to introduce themselves, leave the site clean and thank their hosts.

These interactions help to maintain authentic agriculture and viticulture, creating a direct and lasting link between producers and travellers and genuine solidarity with the rural world.

A European dimension with FEFI

FEFI (European Federation of Invitation Formulas) comprises **10 European networks** that are promoting the France Passion concept in their respective countries. www.fefi.eu

Stopovers reserved for **100% self-sufficient vehicles**
(toilet, water, electricity, waste, etc.)
