

Motorhome stopovers with the personal touch

Dear friends and France Passion motorhomers,

We are delighted to present the new Stopover Guide :
+ 2060 farmers, winegrowers and artisans welcome you!

Once again, we have visited and talked to hundreds of rural hosts to bring you ever more choice for your overnight stopovers

Your 2021 France Passion Guide features over 2060 stopovers, **200 new sites**, promising more opportunities than ever for new encounters and great "finds" ...

Your hosts appreciate your support all the more as this has been a particularly difficult year for the agricultural community: **they can't wait to see you again!**
