

CREATORS OF MOTORHOME ENCOUNTERS

For the price of one or two nights at a campsite, **this must-see travel guide** provides access to 2,200 stopovers in all the *terroirs* of France, with 1,000 farmers, 800 winegrowers, 400 farmhouse inns and craftsmen/women.

Another 220 new stopovers patiently unearthed by France Passion to discover by motorhome!

Who is France Passion for?

The France Passion network has been designed with motorhome owners in mind, to help them discover passionate hosts who are happy to welcome them.

This year, they will be able to enjoy exchanges and new meetings in their motorhomes with 2,200 farmers, winegrowers and craftsmen/women, who are looking forward to their visits.

It's the perfect way to learn a little more at every stopover about the way of life, produce and work in the countryside!

The France Passion app: the essential addition to the Guide!

New features are available, including the very practical keyword search, which complements the search by town or postcode.

"Cheese", "Auvergne", "Alsace wine" or "Domaine du...": search for any word in this section and find the next stopover!
