The 2018 Guide by France Passion, official supplier of small corners of paradise, just for motorhomers!

France Passion offers motorhomers a choice of over 2000 free stopovers in all the regions and undiscovered corners of France...

All over the French countryside, **farmers, winegrowers, craftsmen and women, and country inns** welcome visitors curious to meet interesting new people and make new discoveries.

Members in possession of the **current year's Guide** can **stay free overnight**, the only condition being that they respect France Passion's **"Golden Rules"** for visitors (drive a self-sufficient motorhome, greet hosts on arrival, leave the site clean, say goodbye on departure...).

The 2018 France Passion Guide offers **over 2000 stopovers** off the beaten track, including **220 new sites**.

For over 26 years France Passion has offered independent minded motorhomers that little extra **touch of magic and authenticity** on their trips.

Off the beaten track in France

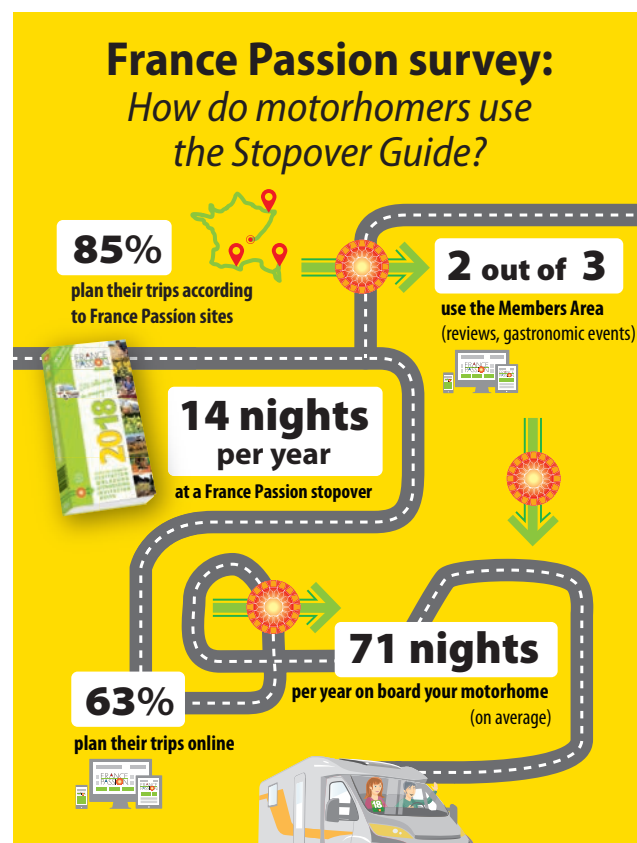

A stopover with one of our farmers, winegrowers or artisans is the perfect way to get to know them and find out about their work, history and traditions, and of course to discover and sample their produce: from Alsatian foie gras to Gascony wines, from Northern beers to Provence olive oil, the treasures of rural France are available to motorhomers for just 30€, the price of the **France Passion Guide and the freedom to explore!**
